Dear Parent,

Your child is now learning to blend two letter sounds into one sound. These words use 'ar', 'or' or 'ur' together to make new sounds. Please help by practising these words with your child.

- Point out the 'ar', 'or' and 'ur' sounds in each group of words.
- Try to think of other words that rhyme, follow the same pattern or rule.
- Discuss the meaning of the words and try to think of a sentence containing the word.

Let your child copy each word twice, then see if they can write it without copying. Use the final column to correct any mistakes or to test each group of words. Thank you for your help.
