Dear Parent,

Your child is learning how vowels, (a, e, i, o, u) can make different sounds. For example 'i' can have a short vowel sound ('i' as in 'pip') or a long vowel sound ('i' as in 'pipe'). All these words contain a long 'i' sound using 'igh'.

Please help by practising these words with your child.

- Point out the 'i' sounds and how the letter patterns 'igh', 'ight' make the words rhyme.
- Try to think of other words that follow the same pattern.
- Discuss the meaning of the words and try to think of a sentence containing the word.

Thank you for your help.
