

SEN Register

Dear Parent/ Carer,

At Northumberland PRU, we pride ourselves on providing an inclusive provision. We aim to ensure that all pupils benefit from a personalised approach to their education to enable them to reach their potential.

It is our school policy that all pupils on roll or dual registered will be placed on our SEN register. We do this because pupils who attend our school are receiving support that is additional to and different from a mainstream provider.

Please see additional information provided regarding our SEN register.

Please could parents/ carers return the slip below by the **25th October 2019**, providing consent for your son/ daughter to be added to our SEN register.

If you have any further questions please do not hesitate to contact Emma Blackburn/ Dave Kirby on 01670 514963.

Yours Sincerely,

Emma Blackburn

Acting Head Teacher

I give my permission for my child _____ to be placed on the SEN register.
