Nurture Pathway	Vocational Pathway	Main Pathway	Academic Pathway
<p>This pathway is for pupils who would benefit from a personalised and nurturing pathway to meet their personalised learning needs. Emphasis is placed on nurturing and support of the pupils. Pupils have a range of learning and social needs. Enrichment is embedded to promote social skills as well as learning.</p>	<p>This pathway is for pupils who are suited to a more practical based learning experience or aiming towards a vocational career. They may present with behavioural and mental health needs and may be disengaged from traditional subjects enjoying a range of practical subjects. Additionally, these pupils will experience increased lessons in outdoor education.</p>	<p>This pathway is designed to meet the needs of pupils who can access a mainstream school curriculum. Pupils may experience a range of barriers to accessing mainstream school but are capable of achieving and progressing well.</p>	<p>This pathway is designed to meet the needs of pupils who will go on to progress to gain a high number of GCSE's or equivalent. Pupils may experience a range of barriers to accessing mainstream school but are more than capable of progressing to achieve highly.</p>
