Dear Parent,

Your child is now learning to blend two letter sounds into one sound. Each group of words ends with the blends 'ed', 'nd' and 'st'. They also contain the vowel sounds (a, e, i, o, u).

Please help by practising these words with your child.

- Point out the final blends and try to think of other words that end with the same blend.
- Try to think of other words that rhyme (hand, sand, land etc).
- Point out the changing vowel sounds.
- Discuss the meaning of the words and try to think of a sentence containing the word.

Thank you for your help.
