Inspire • Support • Achieve

KEY STAGE 4 EXPERIENCE PASSPORT

CURRICULUM INTENT

Preparing Today. Progressing Tomorrow. Succeeding for Life.

BUILT AROUND OUR 4Rs

At Northumberland Pupil Referral Unit, we believe every young person should leave school equipped with the knowledge, skills, confidence and experiences needed to lead successful, independent and fulfilling lives.

Our Key Stage 4 Experience Passport prepares pupils for life beyond the PRU by developing the personal qualities, employability skills and aspirations required for successful progression into Post-16 education, apprenticeships, employment or training.

Through a range of meaningful experiences, careers education, employer engagement and personal development, we help pupils build the resilience and self-belief needed to overcome barriers and achieve their individual goals.

Our ambition is simple – for every pupil to leave with a clear destination and the confidence to succeed.

RESPECT

We develop positive relationships, show professionalism and treat others with dignity.
Respect, communication and teamwork help us succeed in education, employment and life.

RESILIENCE

We embrace challenges, learn from setbacks and keep going.
We build emotional resilience, adaptability and the determination to achieve our goals.

RESPONSIBILITY

We take ownership of our learning, behaviour and future.
We develop independence, financial awareness and understand our responsibilities as young adults.

REWARDS

Every achievement and experience is recognised and celebrated.
Our passport shows how far we have come and prepares us for future success.

*Every experience
Every achievement
Every step forwards
Your future.*

BY COMPLETING THE KS4 EXPERIENCE PASSPORT, PUPILS WILL:

- Develop ambitious aspirations for their future.
- Explore Post-16 pathways including sixth forms, colleges, apprenticeships, employment and training.
- Receive impartial careers education, information, advice and guidance.
- Meet employers and professionals to understand career opportunities.
- Take part in workplace experiences, visits and enrichment activities.
- Develop employability skills including communication, teamwork, leadership, problem solving and organisation.
- Learn how to write CVs, complete applications and prepare for interviews.
- Build confidence in presenting themselves to employers, colleges and training providers.
- Develop essential life skills including budgeting, travel awareness, healthy lifestyles and decision making.
- Understand the importance of attendance, punctuality, resilience and positive attitudes.
- Contribute to the community through volunteering and citizenship opportunities.
- Celebrate achievements through a personalised portfolio of experiences.

PREPARING FOR POSITIVE POST-16 DESTINATIONS

Our Experience Passport ensures every pupil has opportunities to:

- ✓ Explore careers, apprenticeships and further education pathways.
- ✓ Receive independent careers advice and guidance.
- ✓ Visit colleges, training providers and employers.
- ✓ Gain experience of the workplace and employer expectations.
- ✓ Develop the skills and confidence needed for interviews and applications.
- ✓ Build independence, resilience and essential life skills.
- ✓ Make informed choices about their future destination.
- ✓ Leave Northumberland PRU prepared for education, employment or training.
